

Roman Stripe 2

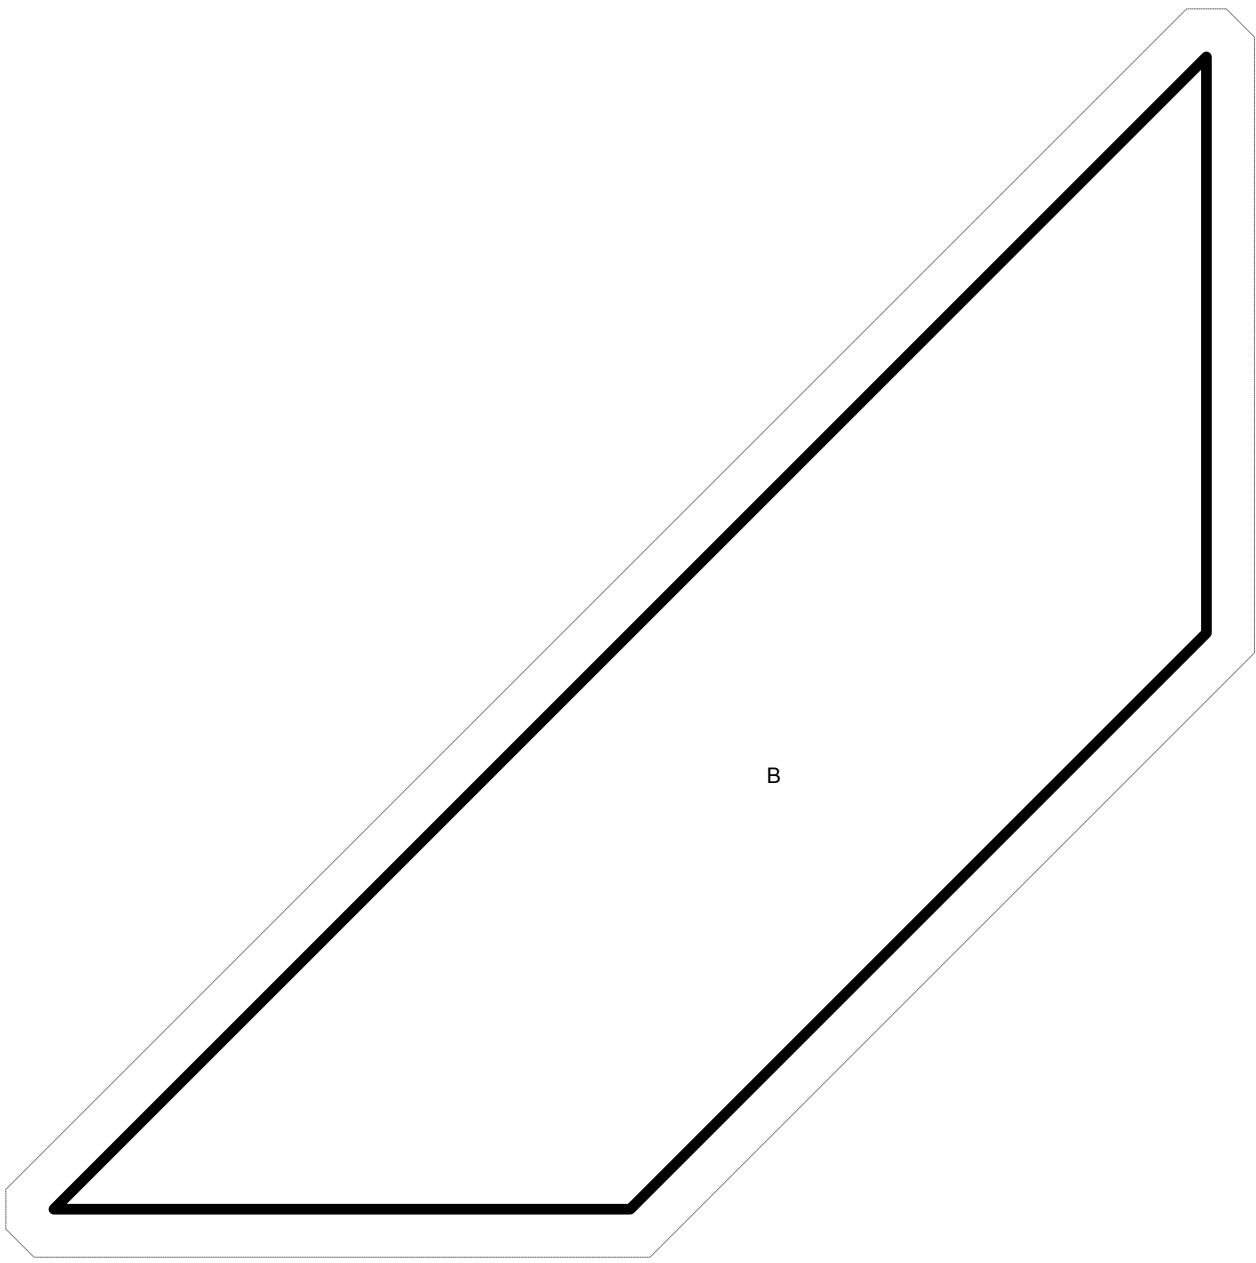

Key Block (28/50 actual size)

A

The diagram shows a right-angled triangle with its right angle at the top-left corner. The vertical leg is on the left, and the horizontal leg is at the top. A diagonal line runs from the bottom-left vertex to the top-right vertex. The entire triangle is enclosed within a larger, slightly irregular rectangular frame. The letter 'A' is positioned in the center of the triangle.
